# THE 2nd INTERNATIONAL CONFERENCE ON CHILD-FRIENDLY EDUCATION

**“Child-Friendly Environment for Children Well-Being and Education”**
Universitas Muhammadiyah Surakarta
21 - 22 APRIL 2018

## CALL FOR PAPERS

### Topics:

3. Child-Friendly Education (Teacher Training and Education)
4. Child Rights-Based Policy Making (Law and Political Sciences)
5. Religious Perspectives on Child Rights
6. Child-Friendly Advanced Technology

### Conference Objectives:

- To share the concerns of different parties in implementation of Child Friendly School, City, and Environment
- To promote the child rights-based approach to education
- To expose the international best practices of Child-friendly School, City, and Environment models
- To encourage children and adults to have access to basic services and increased opportunities for their well-being
- To empower urban communities to self-propelled development, particularly in the planning, implementation, monitoring and evaluation of efforts for children
- To raise the capabilities of government and non-government agencies to address the needs of children for their well-being
- To advocate the formulation of a comprehensive urban development policy that will benefit the community, especially the children
