# Parallel Presentation Guidelines

The 2<sup>nd</sup> ICCE 2018 committee is very pleased to have you as one of the presenters in the parallel sessions. The following guidelines will provide you with basic information about the parallel session presentations.

## 1. Time Allocation

The presenter(s) of one paper/title will be given approximately 12 minutes to present their paper. The last 15 minutes will be provided for the question and answer (Q&A) session for all the presenters in each room.

## 2. Room Equipment

The parallel session rooms are equipped with LCD projector, but not the computer/laptop. Therefore, presenters who prepare power point (PPT) materials are encouraged to bring laptop/notebook by themselves.

## 3. Language Delivery

Every presenter is highly recommended to use English while presenting.

## 4. Moderator

Each room has a moderator to lead and end the discussion. In every room, the moderator is chosen randomly from all the presenters in the room. When it is the moderator's turn to present her/his paper, she/he can be replaced by another presenter who has already taken her/his turn.

**PS:** if any presenter wants to change the date or time of presentation, please kindly negotiate with another presenter on the spot.
